

Chryssa Sofianopoulou is a Professor, specializing in "Analysis of educational performance and IT training." She has extensive experience in educational research, acquired through her participation in international research programs over the past 25 years, primarily through the PISA studies (OECD) and the International Association for the Evaluation of Educational Achievement (IEA). She is a national expert on education issues in the EU. Her research interests focus on the socio-economic factors related to educational performance, inequalities in education, and the use of ICT to improve the quality of learning.
